

What is the Competitive College Club?

The Competitive College Club is an EducationUSA program that assists high school students who want to apply to competitive US universities; it provides guidance in the admission process for highly selective US universities that will meet each student's academic and financial need.

Students meet monthly and participate in lectures, book clubs, community service activities, cross cultural exercises and test preparation. The activities help ensure that students are properly advised as they go through a process of preparing themselves both academically and socially for a US university and find schools that might be a good fit.

Who can apply?

The CCC is open to Algerian high school students who:

- Secondary and high-school students aged 14 -17
- Have good academic records

How to apply?

- Fill in application and return to EducationUSA-Algiers@state.gov
